ELECTION DAY IS **NOVEMBER 8, 2022**

Gun violence has become a kitchen table issue, with families across our state concerned for their safety. Study after study shows that gun laws work, and poll after poll shows that gun laws are popular with a bipartisan majority of Americans. The Bipartisan Safer Communities Act is proof that we **CAN** see progress on this issue.

As a responsible gun owner, you are poised to play a key role in the midterm election! Make sure your voice is heard and get to the polls November 8.
