

CAN YOU SPOT THE DIFFERENCE?

(answer below)

The man in **red** completed a pistol shooting training course, passed a background check, and holds a license to carry a concealed gun in Florida.

The man in **blue** has never fired a gun in his life. He bought his pistol at a bar last week without a background check.

He was convicted of a violent felony last year.

If Governor DeSantis gets his way, there will be nothing to stop the man in blue from carrying a loaded, hidden gun—no questions asked.
